Key Note Speakers:

Cost Benefit Analysis for Hearing Conservation Brain Bethel, CIH, CSP

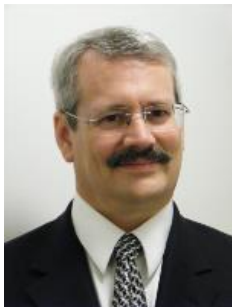

Brian has over 40 years' experience working in IH and Safety and now leads Global People Health & Safety for SC Johnson. Brian's academic experience includes having served as an Assistant Clinical Professor in the Safety & Occupational Health Applied Science program at Keene State College from 2017-2021 where he taught IH, Process Safety Management (PSM), risk assessment and safety leadership courses at both the graduate and undergraduate level.

In addition to being the WI-AIHA President-Elect, Brian is a two-time past president of the Connecticut River Valley Local Section-AIHA, where he also served numerous terms on the Board, and as Local Section Secretary. With National AIHA, he served as a Member-At-Large for the Finance Committee (2019-2022) and as the Local Section Regional Representative for the Northeast from 2016-2019. He has also served on the noise, ergonomics, and value strategy committees.

Brian is both a Certified Industrial Hygienist (CIH) and a Certified Safety Professional (CSP). He holds a BS in Industrial Hygiene from Quinnipiac University and an MBA from the University of New Haven.

Ethics

Pete Engelbert, CIH, CSP of Job Safety Associates

With over 30 years of experience, Pete Engelbert is a current member of the AIHA Ethics Committee. He holds several safety, environmental and industrial hygiene certifications including Certified Safety Professional, Certified Industrial Hygienist,

Construction Health and Safety Technician, Certified Environmental Health and Safety Trainer and others. He is Past Section President of AIHA Chicago Section, current Administrator of ASSP IH Practice Specialty, a voting member of the national AIHA Ethics Committee and voting member of the ANSI Z9 Committee on Ventilation.

In addition to a BS degree in criminalistics (CSI) from Indiana University/Purdue University at Indianapolis, Pete holds a BS with concentration in Biology from Indiana University/Purdue University at Indianapolis, a BA in Geology and Mathematics from Indiana University East, a bachelorette certificate in Safety from Purdue University and a bachelorette certificate in Substance Abuse Counselling from Indiana University.

Pete's advice in safety is sought throughout the USA, in virtually every industry from mines to highway, nuclear and hydro energy, oil & gas, rail, pipeline, offshore and high-rise. Pete has consulted internationally in the Middle East, Brazil, India, China and the EU. Pete is the principle of Job Safety Associates, LLC providing expert legal services, teaching, consulting and site ESHQ services primarily to the US Army Corps of Engineer and Naval Facilities Command projects. Pete is also the Quality Manager for Level 3 Coating Inspection, LLC – a QP 5 Certified Inspecting company.
